Me moments free of guilt

IT'S the one room in the house where you can pull the lock across guilt free and ease away your troubles away in the tub.

The bathroom is the best place to indulge in a little bit of me time.

An inviting bathroom serves a multitude of purposes: pampering and

preening, unwinding and relaxing - oh, and keeping ourselves smelling sweet!

Besides the comforting qualities of a bathroom, they're big business for adding value to our homes too. An extra bathroom can slap on five per cent to the price of a prop-

erty, a Nationwide survey revealed.

But if you don't have the space or funds for a new bathroom, make the most of your old one with a few simple renovations to give it the wow factor. Forget the annual spring clean - give your bathroom a stylish overhaul.
